Book now!

Let's try Japanese calligraphy and write your new year's resolutions or favorite words with Sumi ink and a brush!
If you write it down, we're sure you'll achieve it.

New Year's Calligraphy

Kakizome is a ceremony where people write the first calligraphy at the beginning of a year, traditionally held on January 2.

We often write our new year's resolution or auspicious characters or phrases such as 福(luck).
